## TELEMEDICINE

DialCare is a modern, easy-to-use telemedicine solution for non-emergency illnesses and general care. Members have direct access to state-licensed and fully credentialed physicians, via phone or video consultations, to receive treatment and advice for common ailments, including colds, the flu, rashes and more. Physicians are available 24 hours a day, 365 days a year, allowing members and their families convenient access to quality care from home, work or on-the-go. When medically appropriate, a DialCare physician may prescribe a short term, non-DEA controlled medication that they can pick up at the pharmacy of their choice.
